Previous messages detailing assaults with CHEMICAL WEAPONS: https://archive.org/details/cristian-arnouyahoo.com-yahoo-mail-messages

Reporting the genocide for 10+years!
This is the equivalent of an active shooter situation while authorities are passively watching from the sideline! Innocent people are dying daily as a result of inaction! STOP THE GENOCIDE!

READ / WRITE CAPABILITIES DIRECTLY TO THE BRAIN (NO FIRE WALL)! REMOTE BRAIN / COMPUTER INTERFACE! SOCIETY AS WE KNOW IT WILL BE OVER IF THIS IS NOT ADDRESSED ASAP!

Full cycle "supply chain" of human trafficking from a Healthy person to ongoing illness to death all for HEALTHCARE FRAUD.

$1.4+ TRILLION-dollar criminal enterprise supplying the human trafficking pipeline (for kickbacks) for Alzheimer's disease ($345B), Mental Health ($280B), Parkinson's disease ($52B), Cancer ($209B), Multiple Sclerosis ($88B), Schizophrenia ($280B), Disability ($152B), etc. The GENOCIDE will continue as long as AUTHORITIES refuse to ACT!

The recipe for HEALTHCARE FRAUD, TORTURE AND PERFECT MURDER:

- selected targets are exposed to LOW CONCENTRATION chemical weapon aerosols:
- organophosphates,
- mercury - confirmed via saliva and tissue testing
- manganese, cobalt, chromium - confirmed via patch test (UCLA)
- arsenic, cadmium, barium, nickel, etc.
dispensed over a long period of time (years). The (aerosol) dosages used are small and as such they are inhaled and deposit directly into TISSUE;

AS A RESULT, BLOOD WORK WILL COME OUT NEGATIVE since the low dosages bypass the blood and are stored in tissue where they result in significant long-term damage (see below).
They are dispensed as follows:
- one's home from adjacent apartments (above or next to the target apartment) - https://www.youtube.com/watch?v=B_Ze32ybu8I
- If single family house, via maids, gardeners, maintenance personnel
- from vehicle in front of target's vehicle, off the bridges on the freeway, pedestrians crossing in front of target's vehicle - https://www.youtube.com/watch?v=27OX2y9tV4o
- pedestrians walking by the target or crossing the target's path while COVERTLY dispensing the chemical weapons.
- in stores
- this is facilitated by state-of-the-art surveillance tools allowing to pinpoint the target's location 24/7. The information is communicated to one of the operatives that happen to be in the same area as the target.
- the long-term exposure makes the target susceptible to the chemical weapons as the target becomes "allergic" to the LOW CONCENTRATION chemical weapons while OTHER PEOPLE IN THE AREA DON'T NOTICE ANYTHING. THEREFORE, THE TARGET IS PAINTED AS MENTALLY ILL IF THEY COMPLAIN ABOUT IT. ONCE THE TARGET IS DISCREDITED, THE ASSAULTS CAN EASILY CONTINUE AND INCREASE IN FREQUENCY.
- as a result of the long-term exposure, the target develops TERMINAL CONDITIONS requiring medical attention: HEALTHCARE FRAUD!!!
- people getting paid to dispense will also end up developing terminal conditions, further ENHANCING THE HEALTHCARE FRAUD!
- TRILLIONS OF DOLLARS SPENT TO PLEASE AND ENRICH and FUND THIS GLOBAL CRIMINAL NETWORK!!!

This criminal network affects more people than you realize and they don't discriminate. No security detail can guard anyone against it including Presidents, government officials (federal, state, local), billionaires, celebrities, etc.. One getting ill and going to the doctors makes money for this criminal network further FUNDING THEM. See the link at the top of the message for examples of people that have been murdered by this criminal network. Society as we know it will be a thing of the past if this is not fully addressed immediately! Authorities refusing to act are indirectly complicit in this genocide.

Laws being violated while authorities refuse to perform their sworn duty and innocent people are being TORTURED AND MURDERED:
- 18 USC 241: Conspiracy against rights ("It was historically used, before conspiracy-specific trafficking statutes were adopted, in HUMAN TRAFFICKING prosecutions")
- 18 USC 242: Deprivation of rights
- 18 USC 1091: Genocide
- 18 USC 1801: Voyeurism
- 18 USC 2261A: Stalking
- 18 USC Chapter 11B: CHEMICAL WEAPONS

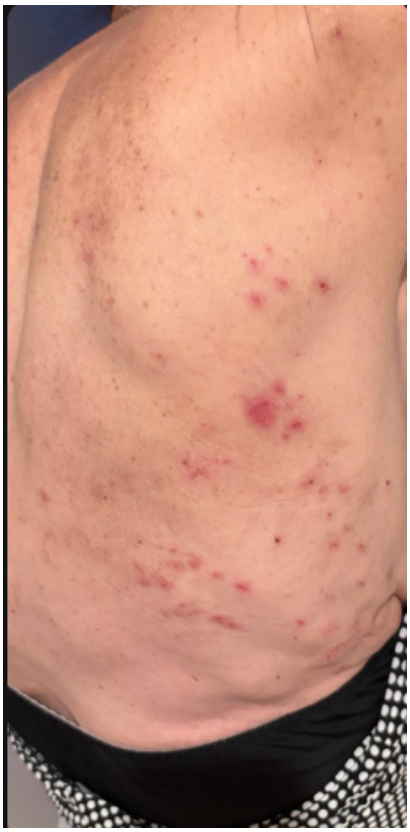
July 27, 2026, Approx. 12:30 PM: 810 California Avenue: USPS employee (driving USPS vehicle number 9208939) rang the bell to open the gate and once I went to the gate to open it, she dispensed CHEMICAL WEAPONS.

Unmistakable symptoms/effects reported hundreds of times (vision and neurological issues, pressure inside the skull / brain, vertigo, cognitive issues, inability to think, living in a "dream" type of feeling, etc.)

July 19th-27th, 2026: 222 Washington Blvd, APT 24: Due to the CHEMICAL WEAPON AEROSOLS dispensed from Apt. 23 and Apt 25, my mother's back is covered with the same lesions that I have developed also due to the exposure. Santa Monica PD, through its refusal to act is promoting and condoning torture and premeditated murder.



July 7/8, 2026: Women in APT2 driving Jeep with CA plate "9EXX920" and Mercedes with CA plate "EN76M41" dispensing ORGANOPHOSPHATES into my unit, particularly something that smells like mothballs. LAPD Pacific Division: July 7, 2026, 11:46 AM, Whole Foods, 225 Lincoln Blvd, Venice CA 90291: While at the cashier paying for groceries, Asian woman in her 60's under the pretext that she needed a paper bag (although she went back in the store and there were other open counters with the paper bags available) came in close proximity to me and dispensed CHEMICAL WEAPONS. As a result, in addition to cognitive issues and facial numbness, dizziness, vision disturbances, my arms have gotten progressively worse as time progressed with significant pain, burning, needle sensations. The cameras will show the encounter (receipt number "202 42614" bar code number

June 30, 2026, 9:40AM: Man shown in picture and video below was dispatched to dispense chemical weapons. Torture, premeditated murder in progress.

NOTE: As a result of the continuous assaults, last year I had to go on medical leave and consequently I have lost my job. Lives destroyed, innocent people murdered while authorities are passively watching from the sideline.

June 23, 2026 approx. 7:50PM: While coming out of my mother's building (222 Washington Ave), the man shown in the picture below residing at 1015 3RD Street, dispensed CHEMICAL WEAPONS. Although I've done a 180 to avoid walking in the "cloud" of chemical weapons, I was still exposed enough to experience vision and neurological issues, pressure inside the skull / brain, extreme facial nerve pain that kept me up overnight, vertigo, etc. Surveillance, torture, premiditated murder!

June 21/22, 2026: Women in APT2 driving Jeep with CA plate "9EXX920" and Mercedes with CA plate "EN76M41" dispensing ORGANOPHOSPHATES into my unit, particularly something that smells

like mothballs. I have not slept the whole night with pins and needdles all over my arms, headache, inability to breath, etc. TORTURE AND PREMIDITATED MURDER IN PROGRESS. SOS!!! Why are authorities refusing to act?

June 20, 2026, 8:04PM: While at Von's (1311 Wilshire Blvd, Santa Monica, CA 90403) buying groceries, as I passed by the man positioned by the cashier, driving black Toyota Prius with CA plate "DEADPSH", he dispensed CHEMICAL WEAPONS. Shortly thereafter I have experienced significant cognitive / neurological effects, pressure inside my skull, vision issues, vertigo, dizziness, facial pain. Torture and Premeditated murder in progress.

June 18, 2026, approx. 3:05PM: While inside the "76" gas station on the corner of Wilshire and 26th Street (2601 Wilshire Blvd, Santa Monica, CA 90403), the man shown in the picture below was dispatched (either via phone or text message) to come inside and dispense chemical weapons. Shortly thereafter I have experienced significant cognitive / neurological effects, pressure inside my skull, extreme anger, vision issues, vertigo, dizziness, facial pain. When will SMPD act and perform their sworn duty? Premeditated murder in progress! SOS!

TORTURE AND PREMIDITATED MURDER IN PROGRESS.

June 12, 2026, approx. 4PM: As I was carrying groceries from the garage, man and his wife/girlfriend, they are driving Honda Pilot with CA plate "7PFS526" along with a "borrowed/loaned" Ford cargo box van with CA plate "45481D4", residing at 1111 Lincoln Blvd, Apt 4, dispensed CHEMICAL WEAPONS as I was going up the stairs. Why are these criminals allowed to operate freely without any consequences for their actions? SMPD MIA!!! TORTURE, HUMAN TRAFFICKING, HEALTHCARE FRAUD, PREMEDITATED MURDER IN PROGRESS. SOS!

June 7, 2026 approx. 4:20 PM, Lincoln Blvd, north of California Ave: While I was going to get my car parked on Lincoln Blvd., woman and daughter team were waiting for me. The woman sent her UNDERAGE daughter to dispense the chemical weapons. I have witnessed this before where the mother sends her underage daughter to do the "work". These kids will be cancer patients in the future.
She was driving Honda CRV with California plate "8YIT685". I can't recover from one attack that I'm subjected to other attacks with CHEMICAL WEAPONS. Why are these criminals allowed to operate so freely? Does law enforcement exist in Santa Monica? TORTURE, HEALTHCARE FRAUD, PREMEDITATED MURDER IN PROGRESS. SOS!

May 26, 27, 2026: Dodge Van with OREGON license plate "MEADOW" spent the overnight dispensing chemical weapons. When I called SMPD on 5/27, the man in the van received a text and left in a hurry. As reported previously, this has happened many times where I call law enforcement and as a result of the SURVEILLANCE (i.e. CRIMINALS listening in on my conversations in my home), they receive a notice and leave in a hurry.

May 26, 2026, 7PM - 222 Washington Ave, Santa Monica: My mother's apartment (Apt 24) was extremely contaminated and as a result my mother was in excruciating pain. Raul (the maintenance person), the nephew of the owner of the building, who lives in Nevada most of the time, driving Dodge Ram truck with CA plate "7S06983", set up the low releasing CHEMICAL WEAPONS in his uncle's apartment (ATP 23).
TORTURE, HUMAN TRAFICKING, PREMEDITATED MURDER IN PROGRESS. SOS!

May 19th, 2026, 7:30AM - 222 Washington Ave, Santa Monica: While waiting for my mother to open the door, the woman in Apt 20 (Cathy) dispensed very high concentration CHEMICAL WEAPONS. Temporary "tenants" dispensing chemical weapons into my unit: Woman driving Mercedes with CA plate "EN76M41" and man driving BMW with CA plate "9VZE830". TORTURE AND PREMIDITATED MURDER IN PROGRESS.

HUMAN TRAFFICKING "SUPPLY CHAIN", TRILLION DOLLAR CRIMINAL ENTERPRISE: "Clients / Patients" are being "supplied" to nursing homes, hospices, hospitals, doctor offices, mental hospitals, etc. through a KICK BACK scheme via NGOs. Specific targets are being CRIMINALLY exposed to LOW CONCENTRATION CHEMICAL WEAPONS over a long period of time (10+ years period), inducing disease culminating in TERMINAL CONDITIONS. I have been reporting at all levels of authority (local, county, state, federal) for 10 years. My father has been murdered as shown by the shared autopsy results, my mother has developed dementia and is still

currently TORTURED on a daily basis in the privacy of her own apartment. I'm being tortured on a daily basis by this ORGANIZED CRIMINAL NETWORK BEING FUNDED VIA FRAUD PERPETRATED OVER A FEW DECADES NOW. Repeated exposure (over 10+years) to chemical weapons resulting in disease and culminating with terminal conditions designed to simulate death by "natural causes" while milking the victims and the system of TRILLIONS OF DOLLARS.

People at all levels of society are being affected with examples provided over time: Charles Bronson, Bruce Willis, Eric Dane, Tom Petty, Ronald Reagan, Dennis Hopper, Steve Jobs, Patrick Swayze, Paul Allen, Brittany Murphy, Diane Keaton, Robin Williams, Michael J Fox (Manganese and Parkinson's Disease: A Critical Review and New Findings - PMC), Glen Campbell, Casey Kasem, Ray Liota, Val Kilmer, John Candy, Alan Colmes, Luke Perry, Ted Gunderson, former head of FBI Los Angeles (https://www.youtube.com/watch?v=27OX2y9tV4o)

March 31, 2026, 2:30PM: Reed Park / California Avenue, right across from St. Monica Church - "Nick Henry" -

https://www.facebook.com/marketplace/profile/1231672507/?ref=permalink&mibextid=6ojiHh **- dispensed CHEMICAL WEAPONS during our brief interaction. In addition to the cognitive issues described previously, these are the "visual" skin disturbance / rash as a result of the assault with the chemical weapons.**

MARCH 2026: These are the results of attacks with chemical weapons (ORGANOPHOPHATES, HEAVY METAL AEROSOLS AND OTHER) for a long period of time, having a CUMMULATIVE effect.

Note the color differences between hands/ankles and forearm. Biopsies were taken from affected areas

- hand and ankles: Heavy metal aerosols containing mercury resulting in "pink disease / acrodynia"

- forearms are the result of ORGANOPHOSPHATES and they come in contact with the skin (the unaffected area of the upper arm / shoulder is because they were protected by the sleeves).

TORTURE AND PREMEDITATED MURDER IN PROGRESS!

LAPD Pacific jurisdiction: March 22, 2026, 8:38PM

While at Whole Foods at 225 Lincoln Blvd., Venice, the man shown in the picture below has dispensed chemical weapons while passing by the deli counter. Note how he communicates with his "handler" for instructions. He must have received a picture of me to be able to recognize his target as I have never met / seen the perpetrator before. As a result of the assault, I'm having a hard time breathing (as I type this message), experienced swollen face, cognitive issues, balance, etc.

I can be one assault away from anaphylactic shock and death. Torture, premeditated murder in progress.

March 15, 2026 approx. 7 PM, Memorial Park (1401 Olympic Blvd, Santa Monica, CA 90404):

While at Memorial Park on the tennis courts, the man in the adjacent dog park driving Ford Edge with CA plate dispensed CHEMICAL WEAPONS. As a result, my eyes/face

March 9th, 2026, approx. 9:45PM: While at Memorial Park (1401 Olympic Blvd, Santa Monica, CA 90404)

on the tennis courts, the man driving Nissan with CA plate "7PPP029" walked by me and dispensed chemical weapons. In addition to the neurological disturbances, note the ongoing damage these chemical weapons are doing to my hands and ankles / legs.

Assault and pre-meditated murder while authorities refuse to act.

February 17, 2026, approx. 8 PM: While going to the garage, the man residing in the adjacent building, 1111 Lincoln Blvd. APT 4, reported many times previously, dispensed NERVE AGENTS. As a result, I've experienced extreme facial pain and congnitive issues, along with extreme pressure on the brain (inside of the skull). Along with his wife/girlfriend, they are driving Honda Pilot with CA plate "7PFS526" along with a "borrowed/loaned" Ford cargo box van with CA plate "45481D4". Why are these criminals allowed to operate freely and torture and murder people of their choosing? When will authorities perform their sworn duty.

just dies of ALS. Another example of the results of long-term exposure to CHEMICAL WEAPONS designed to induce terminal disease. He mentions Santa Monica in the clip below so he must have spent some time in the area. Eric DANE:

ALS and heavy metals:https://pmc.ncbi.nlm.nih.gov/articles/PMC7756568/

How much money did he spend on trying to treat ALS? Who made that money? allowed to take place undisturbed. Authorities refusing to act are indirectly liable for all this. Welcome to the new "civilized" society where organized crime OWNS everyone in power directly or indirectly. Healthcare fraud, kickbacks, torture, murder,It is so obvious to notice these gang stalkers walking around with the sole purpose of dispending CHEMICAL WEAPONS on unsuspecting victims at all times of the day and night! How come SMPD does not do anything about organized crime?
